# Authorisation for Online Application of Temporary Water Trade

Form - T8  
2025 / 2026

CIT Reference No:

The Department for Environment and Water has deemed it necessary that you provide meter readings on all **outward** temporary and permanent water transfers. If you are the seller, please complete the table below ensuring you completed each column with all relevant details. Incomplete applications will not be lodged with the Department of Environment, Water and Natural Resources until all information is provided.

Water Resource Works Approval Number	Meter Number(s)	Meter Reading(s)	Date of Meter Reading
