

## CENTRAL IRRIGATION TRUST

### 2026/27 SCHEDULE OF CHARGES (WATER PRICES)

The Berri, Cadell, Chaffey, Cobdogla, Golden Heights, Kingston, Loxton, Moorook, Mypolonga, Sunlands and Waikerie Irrigation Trusts Incorporated and the Lyrup Village Settlement Trust Incorporated have declared the following charges **EFFECTIVE 1 October 2026**. This is the date from which each individual charge applies unless a different date of application is specified and remains in force until a new schedule of charges is adopted.

This Schedule of Charges should be read in conjunction with the **CIT Information for Customers Handbook** available on the CIT website ([www.cit.org.au](http://www.cit.org.au)), the handbook provides more detailed information for customers.

| SERVICE CHARGE<br>(cost providing and maintaining Trust infrastructure)                                                                                                                               |                                                                                                                                                                                                                                      |                        |

## GENERAL INFORMATION

- **CIT Facilities** - are all located on the River Murray or its anabranches in South Australia and are covered by the South Australian River Murray Water Allocation Plan.
  - **How are charges determined?** – Trust service charge cost base is largely fixed and relates to the size and nature of the infrastructure assets owned and maintained by Trusts. Consumption charges reflect the variable costs of water delivery and are significantly impacted by the cost of energy to operate pumping assets. A draft pricing schedule is approved annually by the Trust Board to ensure service standards are maintained at a minimum cost to customers. It is discussed with members at regional district meetings and then voted on at the AGM of the Trusts, where all members are invited to participate and vote on the schedule of charges. An approved Schedule of Charges is posted on the CIT website and sent to each member of the Trust.
  - **Landscape Water Levy** - The Levy is declared under Section 76 of the Landscape SA Act 2019 on advice from the Riverland and Murraylands Landscape Board and includes Water Management and Planning Charges. The levy is charged to your Trust in the first quarter of each year, but the Trust collects the levy in 4 installments at each of the quarterly billing periods. If you would like further details about this levy, please contact the Murraylands and Riverland Landscape Board - <https://www.landscape.sa.gov.au/mr/home>
  - **When are my charges due?** - Service Charges, Water Consumption Charges, Drainage Charges, and the Landscape Water Levy are billed to you quarterly in October, January, April, and July. Other Charges are billed as incurred. Payment beyond the due date will incur interest as regulated under Section 46 of the Irrigation Act 2009. Customers having trouble paying an account by the due date should contact the Trust on (08) 8580 7100. Payment arrangements and flexible payment plans are available.
- What if I have a question or concern about a Trust Service or Charge?** - Enquiries are always welcome and can be made in person at the CIT office in Barmera, by email to [office@cit.org.au](mailto:office@cit.org.au), by mail to PO Box 34, Barmera SA 5345, or by phone on (08) 8580 7100. Unresolved matters can be formally directed to the CEO, and if still unresolved, to the CIT Board.
